

**APPATREL
2023 CATALOGUE**

APPAREL

TERMINOLOGY

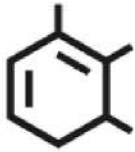

Double Stitching

The garment is sewn around the finished edges with double stitching, making it long-lasting

Lapel Collar

Located along the sides, they help hold the garment's shape longer and give it structural support

100% Polyester

This extremely strong and durable synthetic fabric retains its shape and dries quickly

3 Button Placket

Has a 3-button placket with dyed-to-match rubber buttons

Metal Zipper

Durable silver-colored metal zipper with metal puller.

Moisture Wicking

Transfers moisture away from your skin during any physical activity and keeps you cool

Shoulder Tape

Twill tape covers the shoulder seams to stabilize the back of the garment and prevent stretching

Side Seams

Located along the sides, they help hold the garment's shape longer and give it structural support

Ribbed Knit

Ribbed knit makes the collar highly elastic and helps retain its shape

Fabric

Made from specially spun fibers that make a very strong and smooth fabric that is perfect for printing

Spacious pocket

Kangaroo pouch pocket will always keep your hands warm

Cuffs & Waistband

The ribbed knit makes the cuffs and waistband highly elastic and helps retain shape

Hood Drawstring

Adjustable hood with self colored woven cord

Fabric

Polyester fibers are extremely strong, resistant to most chemicals, stretching and shrinking
